Re: **Questions & Answers**

Addendum No. 1 to IFB 15-44

The City is issuing this addendum to IFB 15-44 Traffic Signs to provide additional information:

****PLEASE BE SURE TO ACKNOWLEDGE THIS ADDENDUM BELOW****

1. Extension of the Due Date:

- **The Due Date for this IFB will be extended to 12/03/14 at 11AM EST.**
- **All references in the IFB to the *old Due Date* of 12/01/14 at 11AM EST will be replaced by the *new Due Date* of 12/03/14 at 11AM EST.**

2. Additional Price Form:

- **Please find attached an additional price form, which can be used for any new sizes or items that are included in the answers below (Attachment 1). Please provide pricing for all three years for any other items.**

3. Questions and Answers:

Q. Under Street Signs it describes Flat/PB/DG White/Blue EC Film – 9” - The EC Film is the older method and the specs call for the digital print, should I cross this out?

A. SURE, PLEASE CROSS OUT THE EC FILM TYPE.

Q. TAPCO Solar Powered Blinking Pedestrian or Stop Signs come in two sizes. I will put 30” next to the description unless you would also like a price on the 36”.

A. PLEASE LIST BOTH PRICES.

Addendum No.1, IFB 15-44

Q. TAPCO Solar Powered 12" Full Matrix Driver Feedback Sign We would quote 85W. (For your information the TAPCO Full Matrix Driver Feedback Boards come with Software for Data Collection, Bluetooth, time clock and alerts system)

A. THANK YOU. OK, PLEASE SPECIFY THAT YOU ARE QUOTING THE 85W.

Q. On the TAPCO Solar Powered Radar Driver Feedback Sign 85W/Control System, I need to know what display size you want (They come 12", 14" or 18" and you are already asking for the 12" above this line item) and if you wanted Full Matrix or 7 segment

A. SIZE 12" DISPLAY, FULL MATRIX

Q. #234-R1-6P Should be code #254-R1-6P – I will correct on my sheet

A. OK, THANK YOU.

Q. Under Hardware & Brackets you ask for a roll of sheeting, Sheeting comes in many widths so I will give you a square foot price on these two items

A. GREAT, THANK YOU.

Q. Carriage Bolts are listed, what size did you want?

A. WE ARE LOOKING TO SEE IF VENDORS OFFER A BETTER PRICE THAN THE HARDWARE STORE. PRICING ON ONE OR TWO STANDARD SIZES WILL DO IT.

Q. Under posts the 5 lbs per foot is a size that is not available. You can get posts in 1.12#, 2#, 2.5#, 3#, & 4#. Did you want a price on the 4# instead of the 5#?

A. PLEASE LIST AVAILABLE OPTIONS, INCLUDING 4# INSTEAD OF 5#.

Q. I did not see a specification on the sign posts. You can get posts in a powder coated green or galvanized? Also the Black U channel Posts should specify the weight like 2#, and 3# so these can be priced per foot.

A. PLEASE QUOTE POSTS IN POWDER COATED BLACK, IF AVAILABLE. PLEASE ALSO QUOTE GALVANIZED POSTS. THANK YOU FOR CHECKING ON THAT. RE: BLACK U CHANNEL POSTS, PLEASE SHOW THE PRICE PER FOOT FOR 2# AND 3#.

Please acknowledge receipt of this Addendum by signing below and including this form in your proposal package. Failure to do so may subject the proposer to disqualification.
